## MEET THE TEAM

---

We strongly believe in a positive and personalised Recruitment and Human Resource experience. It's not simply about connecting from time to time, its about how we do things, how strong our relationships are, how we treat others and how we behave - it's about "Placing People First".

## THE LEADERSHIP TEAM

---

We're world class.

We offer over 70 years of Recruitment and HR industry experience and on a global level.

# PARTNER SHIP

# CLIENT TESTIMONIALS

*"We recently relocated our business to the Cambridge area and Aspire Cambridge was integral to helping us build the new team . They were quick to provide good candidates and their follow up and attention to detail was second to none. I would have no problem recommending Aspire Cambridge and the team for any future recruitment plans your company may have."*

*"Once again, Aspire comes up trumps, managing to find just the right candidate for our business! Thank for your professionalism and patience. It is a pleasure to work with Aspire Cambridge."*

*"Wow! Never normally do I find recruitment agencies very consistent but with Aspire they are amazing! Aspire always keeps you up to date, I feel they would always have both parties interests as top priority. Top team"*

*"Aspire are professional consultants who always understand our briefs. They are patient and professional, and personable too in their approach. We look forward to working with Aspire again in the near future."*

*"From the first conversation I had with Aspire Cambridge, I instantly found a refreshing mix of motivated and friendly attitude, from experience this is a perfect combination! I recommend Aspire as an extremely valuable asset in the temporary and permanent recruitment market and their knowledge of the industry was excellent and made my job a lot easier!"*
